

## *Christmas Music*

Next year 6<sup>th</sup> grade band students will need “Yamaha Christmas Ensembles”, an excellent collection of holiday music that can be played as a solo, duet or trio. Piano accompaniment is available for any who wish to purchase that. The cost is \$5.95 for band instruments and \$8.50 for piano. Most of these are playable for 5<sup>th</sup> graders if they practice them hard. Another great collection is “Swing Into Christmas”. This is a jazz collection (with accompaniment CD trax) that is fantastic! If 5<sup>th</sup> graders work very hard on it, they may be able to play a couple of these by Christmas. If you want to order either of these, just call Menchey Music at 1-888-MENCHEY or 1-800-872-2917, extension 215 (Diane Myers) and place your order. If you order it early enough, you can have Menchey deliver it to school to save the shipping charge. They deliver every Wednesday. Make sure you tell them what school you attend.

This would be a good collection for you to have in your own “music library”!
